

Resolution of Cooperation

BETWEEN

The Military Order of the World Wars

AND

The Air Force Association

Whereas The Military Order of the World Wars was founded in 1919 by officers who served under General of the Armies John Joseph Pershing to perpetuate the ideals of patriotism, promote national security, foster fraternal relations among all branches of the Armed Forces of the United States, and defend the honor, integrity, and supremacy of our National government and the Constitution of the United States, and,

Whereas The Air Force Association was founded in 1946 to promote a dominant United States Air Force and a strong national defense, and to honor Airmen and our Air Force Heritage. To accomplish this, we:

- ✦ **EDUCATE** the public on the critical need for unmatched aerospace power and a technically superior workforce to ensure U.S. national security, and
- ✦ **ADVOCATE** for aerospace power, and Science, Technology, Engineering and Math (STEM) education, and
- ✦ **SUPPORT** the total Air Force family, and promote aerospace education, and

Whereas both organizations inculcate and stimulate love of our Country and the Flag, and promote and further patriotic education in our Nation, and honor law enforcement operations, and defend the honor and integrity and supremacy of our National Government and the Constitution of the United States, and,

Whereas there exists a mutual desire to protect the true history of our great Nation, and to perform ceremonies to honor historical events, and a dedication to support youth activities such as Junior and Senior ROTC, and youth leadership activities;

Now, **Therefore, Be It Resolved**, that The Military Order of the World Wars and The Air Force Association pledge to support this Resolution of Cooperation to promote and expand participation and involvement in mutually beneficial programs throughout the Nation for a better America. Be it further resolved that The Military Order of the World Wars will support the Air Force Association by inclusion in its website and it will support the Air Force Association's National Youth Cyber Education Program. Be it further resolved that the Air Force Association will publicize the Youth Leadership Conferences of The Military Order of the World Wars by inclusion in its website, and encourage its chapters to sponsor students to attend the conferences.
