

2020 - 2021 Patriotic Education Schedule

YOUTH EDUCATION

Youth Leadership Conferences (YLC) are annual multi-day events with a curriculum focused on Leadership (50%), American Heritage & Patriotism (30%) and Free Enterprise System (20%). They also include writing, speaking and leadership exercises, and students may compete in the national Phoenicia Essay competition which is an opinion-essay on a given patriotic or national topic. YLCs vary in length and so may vary in the depth of treatment of particular curriculum subjects depending on the YLC duration.

Youth Leadership Seminars (YLS), listed after the YLCs below, are annual one-day events that focus on YLC curriculum to lesser depth and may specialize focus to a particular patriotic education topic, e.g., the judiciary, law and order.

Both YLCs and YLSs are approved as satisfying the National Association of Secondary School Principals (NAASP) educational and program standards and are listed on the NAASP School Activity List.
