MOWW Programs Participation Suggestions. Join us!

The Military Order of the World Wars (MOWW) needs your support. Nationally, we are in danger of losing our Federal tax designation as a Veteran Support Organization. The requirement is to maintain a membership with 75% veterans. As of August 2019, our membership is 75.4% veterans. As you know, our members' ages range from 60s – 90s, with most in their 80s. Some of membership and recruitment issues come from a lack of awareness. At the Baton Rouge chapter level we would like to improve awareness by increasing our service in the community. We need you. Here are some ways you can help bring greater awareness of MOWW in Louisiana.

-Write an article.

-Be aware of scouts in your church or neighborhood and attend Eagle Courts of Honor.

-Offer support to your nearby High School.

-Offer support to your nearby Fire Station and Law Enforcement Substation.

-Offer support to your local charitable or community organization.

-Other opportunities: Massing of the Colors, LSU ROTC Awards, Youth Leadership Conference

-Become a project officer for a national award

-Offer support to your local charitable or community organization. *"It is nobler to serve than to be served"*

Your service in your community proves that you have never stopped serving. Let's leverage the good work of your local charitable or community organization with the MOWW platform of Serving Youth, Community and Nation. If the organization serves youth, encourage schools to recognize their community involvement and invite the sophomores and juniors to the Youth Leadership Conference in June annually at the USS Kidd Veterans Museum, 305 River Road.

-- To increase awareness, we can post a plaque of support in their common area (sample attached). We would post on social media, send to local, regional and national media outlets and send to the Officer Review showing our mutual collaboration for the good of our society.
