MOWW Programs Participation Suggestions. Join us!

It is difficult for me to express how grateful I am for those who have participated in the activities listed in the past five newsletters. You truly are "Serving Youth, Community and Nation" in your own special way. Thank you for creating greater awareness of The Military Order of the World Wars and especially our chapter. Our work is not done for the national Federal tax designation as a Veteran Support Organization is still at risk. The requirement is to maintain a membership with 75% veterans. As of **May 2020, our membership is 72.2%** veterans. We still need you, keep up the great work.

Here are some ways you can help bring greater awareness of MOWW in Louisiana.

-Write an article.

-Be aware of scouts in your church or neighborhood and attend Eagle Courts of Honor.

-Offer support to your nearby High School.

-Offer support to your nearby Fire Station and Law Enforcement Substation.

-Offer support to your local charitable or community organization.

-Other opportunities: Massing of the Colors, LSU ROTC Awards, Youth Leadership Conference

-Become a project officer for a national award

-Other opportunities:
