### **MOWW Programs Participation Suggestions. Join us!**

The Military Order of the World Wars (MOWW) needs your support. Nationally, we are in danger of losing our Federal tax designation as a Veteran Support Organization. The requirement is to maintain a membership with 75% veterans. As of August 2019, our membership is 75.4% veterans. As you know, our members' ages range from 60s – 90s, with most in their 80s. Some of membership and recruitment issues come from a lack of awareness. At the Baton Rouge chapter level we would like to improve awareness by increasing our service in the community. We need you. Here are some ways you can help bring greater awareness of MOWW in Louisiana.

**-Write an article.**

**-Be aware of scouts in your church or neighborhood and attend Eagle Courts of Honor.**

**-Offer support to your nearby High School.**

**-Offer support to your nearby Fire Station and Law Enforcement Substation.**

**-Offer support to your local charitable or community organization.**

**-Other opportunities:** Massing of the Colors, LSU ROTC Awards, Youth Leadership Conference

**-Become a project officer for a national award**

**-Write an article.** Tell about your military service, a professional aspect of the military, your profession, historical perspectives, chapter activities, education, politics, religion, science, training, community outreach, patriotic education, scouting, JROTC and SROTC, ethics, defense, security, first responders, legislation, monuments and memorials, strategy, veterans, a family member or friend's contributions to society.

--To increase awareness we would post on social media, send to local, regional and national media outlets and send to the Officer Review.

--Those articles published in the Officer Review are eligible for the Vice Admiral George C. Dyer Memorial Fund Writing Excellence Awards. The Dyer Magazine Fund was established to provide cash awards for excellence in writing to members. Five cash awards are made annually consisting of a \$2,000 first prize, a \$1,000 second prize, and three \$500 honorable mention prizes. See MOWW Policy Manual, chapter 7, paragraph C.18.
