SUBJECT: Commander in Chief's Intent (OY 2021)

TO: All Companions of the Military Order of the World Wars

1. My intent is to strengthen the Order's leadership and management to enhance our community outreach and to improve our internal operations. In doing so, I and the Order's leadership at all levels will hold ourselves accountable for timely results.
2. Key tasks:
 - a. Together, we will assess the viability and sustainability of chapters and will decisively respond with assessments, recommendations, and directions, and we will act on these things to strengthen the Order's mission performance.
 - b. Together, we will assist chapters as they achieve each of the Order's six Strategic Goals by applying their scalable chapter capabilities to enhance chapter viability and sustainability.
 - c. Together, we will involve more Companions in chapter activities to improve community outreach and to facilitate Companion camaraderie and fulfillment.
3. End State: The Order will be stronger at the end of OY 2021.
 - a. The Order will better focus its energies and resources on viable and sustainable chapters to enhance chapter capabilities and success while assisting all as needed.
 - b. The Order will be better positioned to continually grow the Order, expand its outreach programs, and increase the number of cadres and chapters.

FOR THE GOOD OF THE ORDER

Sincerely,
